# ***Definitions***

## **HEAD COORDINATOR**

This coach's role is to help organize and manage the teams in those specific age groups. This coach would also help run a few sessions for these teams and could act as an assist. This coach would also be involved in the decisions on which tournaments/showcase events these teams would attend and help determine the state cup roster with the other coaches in that specific age group.

## **HEAD COACH**

This coach's role is to set-up, manage and execute the teams training, league game and tournament schedules. This would be the primary coach that will be coaching at training and games.

## **ASSISTANT COACH**

This coach's role is to help support and follow the head coach decisions. This coach would help fill in at training and games when needed.
